12.1

The screenshot displays two side-by-side video feeds from the OMNY PRO software. Both feeds are labeled 'Канал [2] OMNY F12N'. The left feed shows a close-up view of a window with a pink rectangular privacy mask applied. The right feed shows a wider view of a parking lot with several cars and a building in the background. The software interface includes a top navigation bar with tabs for 'Превью', 'Архив', 'Логи', 'Настройка', and 'Маска приватности'. On the left, there's a sidebar with options like 'Быстрая настройка', 'Каналы', 'Настройки аудио видео', ' OSD', 'Сеть', 'Тревоги и реакции', 'ВидеоАналитика VCA', 'Настройки хранения', and 'Системные настройки'. The main video area has buttons for 'Стереть' (Delete) and 'Сохранить' (Save).

This screenshot shows the 'Маска приватности для PTZ' (Privacy Mask for PTZ) settings in the OMNY PRO software. The video feed shows a parking lot with a pink rectangular mask applied to a window. A dropdown menu for 'Цвет' (Color) is open, listing various colors and patterns. Below the video feed are controls for PTZ movement (Pan, Tilt, Zoom, Focus, Iris) and a zoom slider.
