

# DHCP Snooping Option 82 SNR

- DHCP Snooping Option 82
- DHCP- ISC DHCP

DHCP Snooping - , DHCP.

DHCP Snooping DHCP- IP- DHCP DHCP- , .

., DHCP- DHCP Relay, - DHCP-. DHCP-, DHCP- , DHCP- , : shutdown blackhole. DHCP Snooping Binding, IP- DHCP , IP- MAC- DHCP-, VLAN .

DHCP Option 82 - DHCP, DHCP- , DHCP- . IP- .

## DHCP Snooping Option 82

```
ip dhcp snooping enable
ip dhcp snooping binding enable
ip dhcp snooping information enable
ip dhcp snooping information option subscriber-id format hex
ip dhcp snooping vlan <>
```

DHCP- Trust:

```
Interface Ethernet <uplink>
ip dhcp snooping trust
```

user-control , , :

```
Interface Ethernet <customer>
ip dhcp snooping binding user-control
ip dhcp snooping binding user-control max-user 1
```

user-control , :

```
ip dhcp snooping blocked record enable
```

blocked- :

```
show ip dhcp snooping blocked all
```

:

```
switch#sh ip dhcp snooping blocked int e1/0/10
```

Interface	Vlan ID	MAC	IP address	Date
Ethernet1/0/10	100	f0-de-f1-19-d5-eb	192.168.1.2	Sun Jan 01 00:38:56 2006

```
ip dhcp snooping blocked record count:1
```

S2995G/S3850G "ip dhcp snooping binding", Flash- :

```
ip dhcp snooping user-bind autosave <filename.tbl>
ip dhcp snooping user-bind autosave time <1-48>
```

'time' , Flash.

## DHCP- ISC DHCP

DHCP- ISC DHCP.

Syslog, -:

```
